

October 8, 2024

To:Board of DirectorsFrom:Katie Nicholls, District ManagerRE:2025 Proposed Budget

Attached is the proposed 2025 budget, it is also available on the website. We will hold our first public hearing to REVIEW the budget on November 13TH, and the public hearing to ADOPT the budget on December 9th. A copy of the notice proof is attached. I have outlined some of the areas of note on the budget below:

ENTERPRISE FUND

REVENUE

- The \$6 increase to user fees per the 10-year rate study has been applied. The new rate will be \$135.00 per single family equivalent.
- The Intergovernmental Agreements with Columbine Lake Water District, North Shore Water District, and Grand Lake Metro Recreation District by 1.9% CPI.
- 20 Tap purchases are budgeted.
- Property Transfer Fees and Plan Review Fees are new as of 2024 and are estimated at 75 transfers and 22 plan reviews. Better estimates will be made in 2026.
- Interest has been well above 5% this year, interest is calculated at 5.0%.
- CDS Grant (earmark) has been moved to 2025.

ADMINISTRATIVE EXPENSES

- Directors Fees includes SDA conference for 3 people (none attended in 2024), regional conference, and another strategic planning session.
- IT includes installation and conversion to new billing system. Replacement of one computer. 3 computers will go off line due to conversion, reduced IT will begin July 1st. New IT agreement negotiated at a lower rate than expected increase.
- Fax service was cancelled this month reducing Telephone/Internet fees.
- Postage rates continue to rise and extra costs included for Septic to Sewer Conversion project notifications.
- Printing and Publications is increased for Septic to Sewer Conversion project notifications.
- Office drainage solution is budgeted at \$35,000.
- Legal fees are increased due to ongoing water rights issue.
- Public Relations & Consulting has been added per agreement before Board at October meeting.
- Business insurance is increased by 10%. Increase expected to be between 2-10%. We have retained our discount by meeting training requirements. Will update if lower rating (anticipated) is known prior to budget approval.

OPERATION EXPENSES

- Several operators intend to pursue further certifications in 2025.
- Health insurance increased by 13.5%.
- IT includes replacement of 2 operations computers with systems being sunset.
- Chemicals and utilities costs are calculated at 2024 actuals plus increase in cost and quantity.
- SCADA system to be installed this month and new contract will finally start with reduced rate.
- Engineering for the heat trace retrofit solution for the Town of Grand Lake wastewater project.
- Sludge hauling is expected to increase in both costs and potential volume. Extra added in case digester needs to be drained.
- 2 new trucks are budgeted.

CAPTIAL OUTLAY/CONTINGENCY/RESERVES

- Main line interceptor inspection has been added.
- Septic to Sewer Conversion Project has been moved to 2025.
- \$250,000 in contingency.
- \$800,000 is the maximum amount this budget will allow to be transferred to reserve to maintain 4+ months of operating expenses in the Enterprise Fund.

GOVERNMENT GENERAL FUND

REVENUE

- Mill levy remains the same as last year, as both TABOR and 5.5% are higher in calculation. Dollar amount still increasing due to new construction.
- We will likely have to start supplementing the revenue from the Enterprise Fund as ratcheting down mill levy is not covering expenses.

EXPENSES

- Health insurance increased by 13.5%.
- 2025 is an election year. Matthew Reed and Stephanie Conners seats are up for election. Matthew Reed is term limited.
